WELCOME TO OCTOBER!

Hello NSA members! We hope you're all doing well and powering through midterm season! In this issue, we'll give you a recap of October and a preview what to look forward to for November. We'll also provide you with some important information and resources as we continue this semester. We hope you enjoy it!

RECAP OF OCTOBER

Boba Fundraiser

NSA had a blast partnering with Little Sweet to hold a boba fundraiser this semester! Students were able to enjoy boba on campus with their friends and support NSA while also earning community service and fundraising credits!

General Meeting

#2

NSA's second General Meeting of the semester was on Monday, October 4th.

Attendees learned about upcoming community service and volunteer opportunities, were introduced to their cohort representatives, and heard from our ASUSF SONHP representative, Sunshine, about a nursing student support fund resolution that she is working on.

Read more about the resolution [here](#). Submit a student testimonial in support of this resolution [here](#). Contact Sunshine at sabatastin@dons.usfca.edu if you have any questions or would like more information!

Remember that we also have an online [scavenger hunt](#) opportunity for those that were unable to attend this general meeting in-person.

RECAP OF OCTOBER

Dear Future Nurses Welcome Event

NSA kicked off October with a Dear Future Nurses Welcome Event on Friday, October 1st. Our President, Serena, and Philanthropy Chairs, Jasmin and Katelin, hosted this event open to students from all nursing cohorts. Activities included an open Q & A about everything nursing school-related/balancing life outside of nursing school, icebreakers and games, and positive affirmations coming out of midterm season.

Heart to Heart Reveal

Heart to Heart's 2021 Mentor/Mentee reveal was on Saturday, October 30th. NSA members had a great time seeing each other in-person and meeting each of their mentors and mentees for this year!

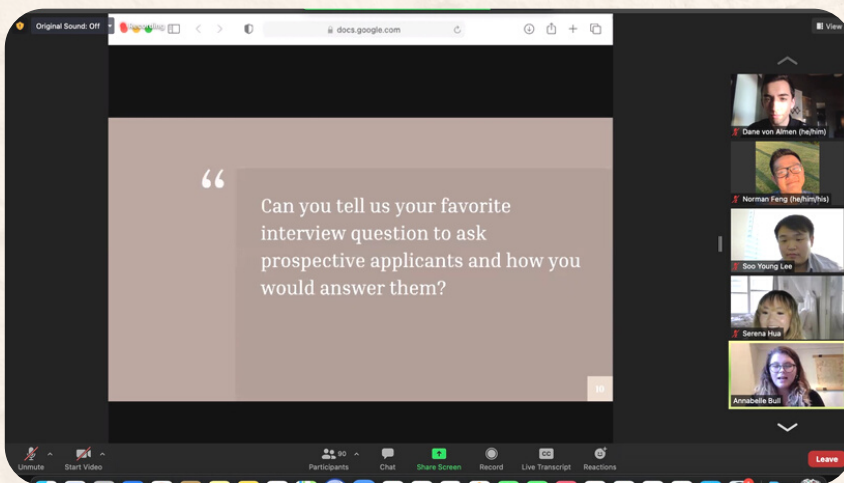

RECAP OF OCTOBER

New Grad Nurses Workshop

NSA hosted a workshop for nursing students on October 13th in partnership with USF SONHP's Head Capstone Lead, Dr. Sabatini, and our NSA President, Serena Hua. The workshop was open to nursing students from all cohorts, not just NSA members.

It featured USF alumni as guest speakers: David Orth, Chad Ortega, Soo Young Lee, Annabelle Bull, Dane von Almen, and Brittany Cheung. These wonderful nurses held an open Q & A for students regarding being a new nurse, finding new graduate nursing jobs, and thriving after graduation. They also hosted a nursing-specific resume review!

Thank you to all who helped make this valuable workshop a reality!

New Interns

NSA's interns for the 2021-2022 academic year have been selected! A warm welcome to all of them!
